Brenda, Does this help?

The Wilcox site was owned and operated as a refinery from approximately 1915 to 1963. The Wilcox Oil Company operated a crude oil refinery at the site from the 1920s to early 1960s. Available information indicates that the Wilcox Oil Company merged with Tenneco Oil Company in 1965 and that El Paso Energy Corporation acquired Tenneco Oil Company in 1996.

Thanks,  
Amy
